CLEERLINE SSF™ FIBER LEVEL 2 CERTIFICATION COURSE

Gain the knowledge you need to become a certified Cleerline SSF™ Fiber Installer. This course will provide all the training necessary to successfully specify, terminate, and test Cleerline SSF™ fiber.

COURSE CONTENT
- Benefits to using fiber for IT/Datacomm and A/V signal distribution applications.
- Basic fiber optic elements and key terminology.
- Fiber cable constructions and applications.
- Fiber connector types and applications.
- Cleerline SSF™ fiber termination.
- Fiber testing procedure and understanding results.

OUTCOME
All attendees will leave the course with their own Basic Fiber Termination Kit and having taken the Cleerline SSF™ Installer Certification test.

REGISTRATION
To register, fill out the Level 2 Certification Course Registration Form and email to orders@clrtec.com. The course fee is $500 per person and may be paid via credit card. The course fee includes:
- Level 2 Certification Course
- Basic Fiber Termination Kit ($499 Value!)
- Cleerline SSF™ Level 2 Certification Test
