WWW.CLEERLINEACADEMY.COM

**SPACE IS LIMITED TO 10 PARTICIPANTS PER SESSION! REGISTER TODAY!**

Gain the knowledge you need to become a certified Cleerline SSF™ Fiber Installer. This course will provide all the training necessary to successfully specify, terminate, and test Cleerline SSF™ fiber.

**COURSE CONTENT**

- Benefits to using fiber for IT/Datacomm and A/V signal distribution applications.
- Basic fiber optic elements and key terminology.
- Fiber cable constructions and applications.
- Fiber connector types and applications.
- Cleerline SSF™ fiber termination.
- Fiber testing procedure and understanding results.

**OUTCOME**

All attendees will leave the course with their own SSF-FKIT02E Fiber Termination Kit and having taken the Cleerline SSF™ Installer Certification test.

**REGISTRATION**

To register, fill out the Level 2 Certification Course Registration Form and email to orders@clrtec.com. The course fee is $500 per person and may be paid via credit card. The course fee includes:

- Level 2 Certification Course
- SSF-FKIT02E Basic Fiber Termination Kit (**$499 Value!**)
- Cleerline SSF™ Level 2 Certification Test
