

KN95 DISPOSABLE FACE MASK (10 PK)

KN95 Disposable Face Masks provide efficient filtration and protection against dust, haze, and droplets.

Masks have 4 layers, with a non-woven fabric exterior layers and inner electrostatic filter.

Masks include elastic straps and adjustable nose strips for different face shapes and sizes.

KN95, KF95 and FFP2 face masks are N95 face mask alternatives & N95 equivalents. KN95 is an industry-standard and means that the mask provides the intended effectiveness of filtering 95 percent of particles with a mass median diameter of 0.3.
